

# Jambo

by Rob Evans, The Donut Man

1. When you wake up in the mornin'  
And you sit up in bed,  
And you open your eyes you sleepyhead,  
Here's a little word that you can say  
To help you start the day,

## **Chorus:**

**Say "jambo," (jambo)**  
**It means "hello," (hello)**  
**To Jesus, (to Jesus)**  
**Your best friend, (your best friend)**  
**Say "jambo," (jambo)**  
**Hello, (hello)**  
**Say "jambo" to Jesus every day,**  
**He'll listen when you pray.**

2. You eat your dinner  
And you brush your teeth,  
And it's time to end the day.  
Here's a little word that you can say  
When you kneel down to pray.

## **Chorus**
